G.O. NO. 694 Health

Dated 2 — 3 — 51

[Despatch Abstract.]

E. Stablishment — Public Health — Mangalore Municipality — Smt. Mahammaji, ex-Woman II Class Vaccinator — Age rules relaxed.

50206

Mangalore,
Dated. 26.6.50

56686

To

The Director of Public Health,
Madras.

Through

Doctor K. P. Thomas,
Assistant Director of Public Health,
Madras.

Humble application of H.Mahammayi, Ex-Woman
II Class Vaccinator, Hari Nayak's Compound,
Near Marigudi, Bolar, Mangalore.

Sir,

I am submitting the following few lines for your benign consideration and favour of early orders.

(1) In the year 1944 applications were invited by Dr. K.P.Thomas, the District Health Officer, South Kanara (who is now the Assistant Director of Public Health) for the selection of candidates to undergo II Class Vaccinators Training. Several candidates applied, out of which only five were selected after a perusal into their S.S.L.C. Book. I was one of the five. I was the only woman vaccinator selected (vide true copy of the order is enclosed for your kind perusal).

P5 infra

(2) After the selection, I have undergone satisfactorily both the practical and theoritical training prescribed for II Class Vaccinators under the District Health Officer (vide true copy of the orders enclosed).

P13 infra

(3) At the end of the prescribed period, written, oral, and practical examination was held on 8-1-1945 personally by the District Health Officer (vide ~~xxx~~ true copy of the office order enclosed).

P9 infra

(4) I came out successful in the examination (true copy of the order in token of having passed granted to me by the District Health Officer is enclosed for kind perusal).

P13 bis

Soon after having passed in the examination, ~~Doctor~~

Doctor K.P. Thomas who was then the District Health Officer, South Kanara, appointed me as a second class vaccinator, under the Mangalore Range. (True copy of the order is enclosed). P15 infra

6. I have worked as a woman vaccinator both in Mangalore Range and Kasargod Range and whenever there were vacancies. (True copy of the orders enclosed). PP17-27 infra

7. Even after Doctor K.P.Thomas assumed charge as A.D.P.H. his successor Captain V.S.Ramaswamy, District Health Officer, also treated me as a duly qualified II Class woman vaccinator and appointed me (vide true copy of the order enclosed). P25 infra

8. (a) In 1947 the D.P.H. sanctioned 3 permanent posts of IInd Class Woman Vaccinators for this District and I was posted as permanent woman second class vaccinator for Mangalore Range by the D.H.O. (True copy of the order enclosed). P29 infra

(b) For a long time, I was without a vacancy and hence I suffered a good deal. I applied to the Municipal Health Officer, Mangalore for a post. After a careful perusal of the records granted to me by Dr.K.P.Thomas, he appointed me as a IInd Class woman vaccinator from 12-8-1947. This appointment was under rule 9 of G.O.No.5924 P.H. dated 17-12-1940. This appointment was on temporary basis. That is, in the vacancy of a I Class Vaccinator as there were no qualified hands, a duly qualified IInd Class Vaccinator like me was appointed to act. (Copy of first appointment order is enclosed herewith) for your perusal). P31 infra

9. I continued in the above vacancy from 12-8-1947 to 16-6-1950. Thus I have put in a service of about 3 years in the Mangalore Municipality alone, besides about 2 years of service under the District Board. In the afternoon of 16-6-1950 I have been discharged for want of a certificate countersigned by the D.P.H.

10. In my official capacity as a Woman II Class Vaccinator I have given entire satisfaction to my superiors both in the District Board and in the Municipality. The A.D.P.H. Doctor T.Laxminarayana during his inspection in 1949 of this Municipality

has
~~as~~ spoken well of my work.

11. When there are vacancies of Vaccinators under this District Board and in Municipalities in this District, I am not entitled to hold a post. Besides, the certificate one granted to me by Dr.K.P.Thomas in token of having passed in vaccination examination who was District Health Officer, South Kanara (who is now the Assistant Director of Public Health, Madras) I do not have a certificate countersigned by the D.P.H. As a matter of fact, I was not aware that I have to ~~give~~ be in possession of a separate certificate besides the one granted to me by the D.H.O.

12. In conclusion, I most humbly pray that a 2nd Class Woman Vaccinator's Certificate may kindly be granted to me having passed in the examination after undergoing the full prescribed training.

13. I am a poor widow with children and have to support a large family. I find extremely difficult to meet both ends in these hard days. My case is a deserving one. Hence I pray for your mercy.

For which act of generosity and charity, I shall ever remain grateful.

Your Most Obedient Servant,

H. Mahammayi

Ex-Woman Vaccinator,
Harinayak's Compound, Near Marigudi,
Bolar, Mangalore.

R.No.50206- Epi/50-1 DATED: 7-7-1950.

Referred for remarks as to whether the petitioner was trained as a regular woman Vaccinator according to the prescribed syllabus and whether she is eligible for the issue of a certificate.

MEMORANDUM OF THE DISTRICT HEALTH OFFICER, SOUTH KANARA.

Dr.K.P.Thomas, L.M.&.S., B.S.Sc., D.T.M.(Cal).

Ref.No.4973/44. Dated -12-44.

Sub:-Vaccination - Public vaccinators training in practical work.

All the pupil vaccinators are hereby deputed for practical training under the Health Inspector in the ranges noted below for a period of one month from 27-12-1944. They should report themselves for the training to the Health Inspectors concerned on the due date.

2. The Health Inspectors should train them in practical work in vaccination vital statistics and maintenance of correct records, like nominal lists, result statements, preparation of vaccination returns etc., under their personal supervision. Each pupil vaccinator should personally perform not less than 50 cases of primary vaccinations.

A report on the work of each pupil with the result statements should be submitted by the Health Inspectors so as to reach this office by the end of January 1945. Each pupil vaccinator should be given all the circulars, G.O.'s etc. on - vaccination, Public Health Code - Part II vaccination and they should have a thorough knowledge on all the circulars etc. An examination will be held by the undersigned after the completion of the practical training and the exact date will be notified later on.

All the pupil vaccinators are also informed that they should not be absent from the ranges during the practical training. Such of the candidates who do not attend the training and practical work for one month in their respective ranges, will not be admitted for the examination.

The Health Inspectors should maintain an attendance register and submit this register along with their reports.

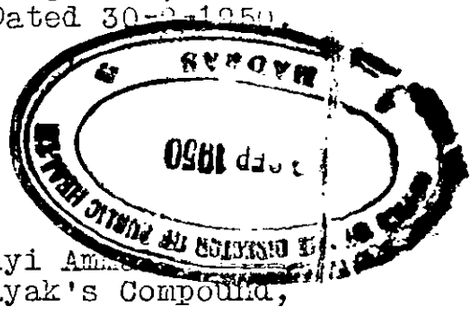
Mangalore,
Dated 30-3-1950.



To,

The Director of Public Health,
Madras.

Humble petition of H. Mahammayi Amm...
Ex-Woman Vaccinator, Hari Nayak's Compound,
Near Marigudi, Bolar, Mangalore.

Respected Sir,

(1) In continuation of my petition dated 26-6-1950, I most humbly and respectfully beg to submit the following for your kind and sympathetic consideration.

(2) I was admitted by Dr. K. P. Thomas, Dt. Health Officer, S. Kanara, who is now the Asst. Director of Public Health, Madras, to the course of training of second class vaccinators in the year 1944 and I completed this course and passed the prescribed examination in the year 1945. Soon after this, I was appointed as a Second Class Woman Vaccinator in the South Kanara District Board and thereafter in the Mangalore Municipality. The appointment in the latter place continued till 16-6-1950, when I was discharged from service and a first class vaccinator was appointed in my place. I understand that the reason for the termination of my appointment was that the certificate of Vaccinator's issued to me has not the countersignature of the Director of Public Health and that therefore it is considered to be defective.

(3) I submit that to discharge me on this ground at this juncture after years of service is neither proper nor equitable. This has come upon me a helpless poor widow as I am, as a great catastrophe in my life which I am unable to bear.

Out of several Candidates who appeared for the selection for training 5 were selected after the necessary scrutiny of their S.S.L.C. Book and I was one of them. I was thereafter appointed in the District Board as well as in the Municipality, and my Certificate was considered as valid and its authority was not disputed at any time.

I have been discharging my duties efficiently to the satisfaction of my Superior Officers and in fact with regard to my work I have won the approbation of the higher Inspecting Officers as the remarks left by them will prove. I may recall in this connection that the present D. P. H. who was then the A. D. P. H. inspected my work along with the District Health Officer and Municipal Health Officer in the year 1949 and he has spoken well with regard to my work in his Inspection report.

The want of countersignature in the Certificate by the D.P.H. was only an ommission now brought to notice for which I humbly submit I cannot be held to blame. It is needless for me to represent that it would be a great hardship and injustice to me to consider this technical defect as sufficient to invalidate the certificate obtained by me five years back and that too after years of service in the Department.

My submission therefore is that having regard to the circumstances of the case the D.P.H. may graciously be pleased to countersign the certificate and validate it from date of issue.

(4) I submit I was selected for the course with due regard to my qualification and age and as such, I need hardly state that it would be contrary to the cannons of justice and fair administration to treat the Certificate obtained by me as not valid at this stage unless there are other tangible reasons which I venture to state however do not exist in this case. I may further state that having been permitted to undergo the course and having been allowed to hold the post of second class woman vaccinator all these years it would be illogical to reject my certificate as not valid now.

(5) In this connection I beg to bring to notice of the D.P.H. my dismal life and invoke his sympathy - I was -- studying the second Form in 1927, when according to the Hindu Custom I was married. I was then 14 years of age. I begot 3 children and to my great misfortune my husband died in the year 1934, after 7 years of married life. This was a great calamity in my life and I was left destitute and helpless and I had no means to sustain my self and my poor children. I was advised to resume my studies so that I could earn a living; but I had not the means to do it. However with the help of some relations I was able to rejoin School in 1936 and and after much difficulty I appeared for my S. S. L. C. in 1939-1940. The hardsnip I had to endure during this period with no money in hand, and with a burden of three children, may well be immagined.

(6) I submit that it was due to the reason that there was a break in my Scholastic Career owing to my unhappy marriage as detailed above that I was able to appear for my S.S.L.C. and join the Service so late; and this aspect of the case was given due consideration when I was admitted for the course of training of vaccinators. As such my prayer is that if the question of my age is to be considered for purpo-se of employment, I pray that this point may kindly be given due consideration.

(7) In conclusion I humbly pray that on a kind and sympathetic consideration of the facts set forth in this representation and also in my petition dated 26-6-50, the D. P. H. may graciously be pleased to countersign my certifi-cate and validate it in order to enable me to hold the appointment of Vaccinators ~~hereafter~~ from date of issue.

For which act of kindness, charity and Justice, I and my poor children will ever. remain grateful.

I beg to remain
Sir,
Your most obedient Servant,

M. Mahammayi

Ex. Woman Vaccinator

By Registered Post.

R.No.56686-1-B-50.

Office of the Director of Public Health,
Madras, Dated 27-1-1951.

Sir

pp 1-3 ade

In forwarding herewith the petitions dated 26-6-50 and 30-9-50 of Srimathi H.Mahammayi Ex.Woman II Class Vaccinator, I have to state as follows:-

2. Srimathi H.Mahammayi underwent II class vaccinators' training in 1944-45 and passed the examination. Later she was working as a 2nd class Vaccinator under South Kanara District Board and in Mangalore Municipality. In June 1950 she was discharged from service for want of a certificate countersigned by the Director of Public Health. She now requests that her certificate may be countersigned by the Director of Public Health and validated from the date of issue.

3. Although Srimathi H.Mahammayi underwent the training and passed the examination, she is not eligible for a certificate countersigned by the Director of Public Health as she has exceeded at the time of the training the age of thirty years which age limit is fixed for appointment as Woman II class Vaccinator with reference to the Public Health regulations.

4. In view of her qualifications and service in the department of over five years I request that Government will be pleased to exempt her from the age limit for appointment as 2nd class Vaccinator (now called 'Health assistant'). After reappointment she may be required to acquire the Sanitary Inspector's qualification within four years as required in G.O.No.4242 Health dated 15-12-1950.

Yours faithfully,

for Director of Public Health, Madras.

KNT.29/1.

G.O. (Ms) No: 694 Health dated 27.3.57 Health (P2)

C.No: 6823/57 Sub: E.St.- P.H - Mangalore Municipality Srimathi H. Mahammayi, Ex-Woman II class Vaccinator - Age rules relaxed.

Ref: 1. From Srimathi H. Mahammayi, Ex-Woman Vaccinator, petitions dt. 26-6-50 and 30-9-52
2. From the D.P.H, R.No: 56186-1B-50 dt. 27-1-57.

Order.

In exercise of the powers conferred by regulation 46-A of the P.H.-Est (Local Authorities) Regulations, 1940 the Govt relax in favour of Srimathi H. Mahammayi, formerly Woman II class Vaccinator under the South Kanara Dt Board and the Mangalore Municipality regulation 4(1) of the said Regulations in so far as it relates to age qualification prescribed for the post of Woman II class Vaccinator.

2. The D.P.H is requested to inform the D.H.O. concerned that his actions in having selected Srimathi Mahammayi for training as Vaccinator ~~and in having appointed her as Vaccinator~~ was irregular and that such irregularities should not occur.

To the Petitioner (thro' D.P.H.)

R.NO.60107-1 E3/52

Dated 19-7-1952.

Sir,

Sub:-Establishment & Public Health - Srimathi H.Mahammayi, Health Assistant- Continuance in service for 4 years to acquire Sanitary Inspector's qualification - sanction- requested.

Ref:-Petition dated 30-5-1952 from H.Mahammayi Amma.
--- Issued.

31208
P 14 (H)

A copy of the petition from Srimathi H.Mahammayi Amma, Health Assistant, Mangalore Municipality, is forwarded herewith. In the circumstances stated, the request of the petitioner to retain her in service for four years in order to enable her to acquire the Sanitary Inspector's qualification, as required under item V of Explanation II to Regulation 10 of the Public Health Establishment (Local Authorities) Regulations, is recommended.

Yours faithfully,

22/7/52
FOR DIRECTOR OF PUBLIC HEALTH,
MADRAS

Copy of petition dated 30-5-1952 from H.Mahammayi Amma, Qualified Second-class Woman Vaccinator to the Director of Public Health, Madras through the Commissioner, Mangalore Municipality and Municipal Health Officer, Mangalore.

Humble prayer of H.Mahammayi Amma qualified Second Class Woman Vaccinator, Municipal Health Officer, MANGALORE.

I most humbly and respectfully beg to represent the following.

2. I was appointed as a Vaccinator in the Mangalore Municipality on 16-2-52 and I am continuing in the said appointment as per your order H.I.-1492-52. I was previously holding the post of a temporary Vaccinator in the District Board about 2 years as well as in the Municipality from 12-8-47 to 16-6-50; but my vacancy in the Municipality was ceased on 16-6-50 as a qualified Sanitary Inspector was available for appointment as I Class Vaccinator vide your proceedings R.O.C. H.I - 12893 -50 dated 16-6-1950.

P 3986 (H1)
P 3 inbox

3. I beg to point out in this connection that on my representations subsequently, the Government ordered the relaxation of the age limit in my case with regard to my appointment as Vaccinator in the District Board and the Municipality - vide G.O.Ms. No.694 - Health Department dated 2-3-51 (copy enclosed) and my Vaccinator's Certificate has also since been countersigned by the Director of Public Health, Madras - vide his orders L.Dis. No. 59585-A-4-51 dated 16-10-51 (copy enclosed)

4. In G.O.No. Ms. 4242 Health Department dated 15-12-50, the Government have stipulated that incumbents holding the

(pto)

post of Vaccinators without possessing the qualification of Sanitary Inspectors if they are to continue to hold their posts should pass the Sanitary Inspector's Examination and get themselves qualified within a period of 4 years from the date of G.O. failing which they become disqualified to hold the post. This concession was granted to those not possessing the qualifications(i.e. Sanitary Inspector's Examination) in order to enable them to obtain the qualification for further continuance in service.

5. I submit that I have not passed the Sanitary Inspectors Examination and it is necessary for me to pass the said Examination before the date specified in order to continue in service. I therefore desire to appear for the Sanitary Inspectors Examination and get myself qualified before the date fixed by the Government. It may not be out of place to bring to notice in this connection that I was in District Board service as Vaccinator for about 2 years and thereafter I was in Municipal service as Vaccinator from 12-8-47 to 16-6-50. My vacancy would have continued in the Municipality but for the fact that my certificate had not been sent for the countersignature of the Director of Public Health. I therefore, had to make representations in this matter and the Director of Public Health was pleased to countersign the Certificate - vide his orders L.Dis.59585-A-4-51. I was appointed in the Municipality again thereafter as Vaccinator. In the circumstances detailed above, it may kindly be seen that I would have automatically been eligible to the concession granted in the Government Order had it not been for the reason that my vacancy was terminated for want of countersignature of the Director of Public Health. This was not due to my fault.

3 inserts

I beg to add that I am a poor widow with children and others depending upon me and it would indeed be a hopeless and intolerable position for me to maintain myself and my dependents without any appointment in the future. In view of these difficulties, I am anxious to get myself qualified within the date specified in order to ensure the continuance of my service.

6. I beg to request therefore that my case may sympathetically be considered in view of my previous service in the Municipality and the orders of Government obtained to extend to me the concession allowed in G.O. to get myself qualified within the period specified therein.

For which act of charity and genorisity, I shall ever remain grateful.

Ref:-His letter No C.3245-A-51 dated 29-9-51.

The Certificate of the Woman Vaccinator, Smt.H.Mahammayi Amma is returned herewith duly countersigned.

(True copy)

Copy of letter Rc.No.3533-A-51 dated 22-10-51 from the District Health Officer, South Kanara.

Copy forwarded to Smt.H.Mahammayi Amma, Ex.Woman Vaccinator, residing near Marigudi, Bolar, Mangalore-1.

2.The Certificate dated 29-9-51 countersigned by the Director of Public Health, Madras, on 16-10-51 is enclosed herewith. She will acknowledge the receipt.

(True copy)

Copy of letter ~~date~~ No.F.Dis.9130/52 dated 7-6-1952 of the Municipal Health Officer, Mangalore.

Forwarded to the Director of Public Health, Madras, through the Chairman, Municipal Council, Mangalore.

2. The petitioner was continuously in service as Vaccinator in this Department purely on a temporary basis under rule 9 of G.O.No.5924.P.H.,dated 17-12-1940 from 12-8-1947 to 16-6-1950 and her services were terminated thereafter for want of a technical certificate duly countersigned by the Director of Public Health. On her representation and in view of the fact that she produced subsequently, the authentic technical certificate countersigned by the Director of Public Health. She was appointed temporarily under rule 9(1) of the Public Health Establishment L.A) Regulations 1940 as amended upto 7-5-1951 as Health Assistant(Vaccinator) for a period of three months from 18-2-1952 in the absence of qualified suitable candidates. She now continues in service subject to approval of Director of Public Health.

3. The Births and Deaths Registrars and Vaccinators,(both temporary and permanent) who were in service on 15-12-1950 were designated and appointed as Health Assistants in the scales fixed in accordance with the instructions issued in G.O. 4242 H dated 15-12-1950 with effect from that date subject to conditions specified therein. It is not permissible under the rules to continue the appointment of the petitioner for a period of 4 years subject to those conditions in view of her prior service rendered as Vaccinator from 12-8-1947 to 16-6-1950 as she was not in service on 15-12-1950 when the above G.O. was given effect to.

The Director of Public Health when he inspected this Office at the time when the petitioner was in service remarked that her work was satisfactory. The petitioner requests that in consideration of that facts represented by her in para 5 of her petition and that as a special case Government may be moved to grant her the benefits of the concession allowed in para 2 of the above G.O. to enable her to acquire the necessary Sanitary Inspector's qualifications and also to continue her in service for a period of 4 years under item V of Explanation II to Regulation 10 of the Public Health Establishment (L.A.) Regulations as was allowed in case of temporary hands, who were in service on 15-12-1950.

Estt - P.H - South Kanara District Board - Srimathi H. Mahammayi, Ex-woman II class Vaccinator - Petition against discharge from service

One Srimathi H. Mahammayi was selected by the D.H.O, South Kanara to undergo II class
de f 5 f Vaccinator's training in 1946-48 and she came out
P 13 f successful in the examination conducted at the end
after the completion of the training. She was employed as woman II class Vaccinator first
Para 2 on f 33 f under the District Board, South Kanara and subsequently under the Mangalore Mcl. Council.
In June 1950 she was discharged from service for
Ibid the reason that she did not possess a II class Vaccinator's certificate countersigned by the D.P.H.
f 1 3 and 33-35 f The woman Vaccinator has put in two petitions requesting the D.P.H. to countersign her certificate validating it from the date of its issue. The D.P.H has forwarded the petitions to the Govt, with his
P 37 f remarks, for passing necessary order.

2. The qualifications prescribed for the post of woman II class Vaccinator are —

f 13 of the P.H. Estt. Regulations of the Mysore Manual

(i) the candidate must not be more than 30 years of age, and

(ii) must possess atleast a second class Vaccinator's certificate issued by a First Class Health Officer under the authority of the D.P.H.

Vide B on f 33 f from P. to f 37 f

Srimathi Mahammayi was over thirty years of age when she was selected for undergoing the training. The action of the D.H.O, South Kanara in having selected the petitioner for the training and in having employed her in the Dt. Board service were irregular. This may perhaps be pointed out to the D.P.H. For orders.

A 4
8/4/51

3 The petitioner has stated that she was not aware of the fact that apart from the certificate issued by the D.H.O, a certificate countersigned by the D.P.H was necessary to hold the post of II class vaccinator. ~~For the reasons mentioned in para 4 of his letter on page 3 of~~ In view of her qualification and service in the Dept. of over five years the D.P.H. recommends that the petitioner may be exempted from the age limit in order to make her eligible for appointment as II class vaccinator. It is for orders whether regulations of the P.H. Estt. Regulations prescribing qualifications for the post may be relaxed in favour of the petitioner, ~~exposing the irregularity involved in her selection for the training and employment under the District Board and the Mangalore Mct. Council~~ as recommended by the D.P.H.

~~Legal may see for remarks if any.~~ A/O on the proposal may be done / We are obliged to communicate and Relaxation may be made.

HEALTH DEPARTMENT

C.No.34208/52.

Health (P2) Deptt.

Sub: Establishment - Public Health - Mangalore Municipality - Srimathi H. Mahammayi - Health Assistant - Continuance in service for 4 years to acquire Sanitary Inspector's qualification sanction - Request.

Ref: From the D.P.H., R.No.60107-1.E3/52. dated 19.7.52.

One, Srimathi H. Mahammayi was in service as II Class Vaccinator on a temporary basis for about 2 years in the South Kanara Dist. Board and from 12.8.47 to 16.6.50 in the Mangalore Municipality and her services were terminated thereafter for want of technical certificate duly countersigned by the D.P.H. (She had been declared by the D.H.O., South Kanara to have passed II class vaccinators examination but no certificate countersigned by the D.P.H. had been granted to her). On the production of the certificate duly countersigned by the D.P.H. subsequently, she was again entertained temporarily under regulation 9(1) of the P.H. Estt.(L.A.) Regulations, as Health Asst. in the Mangalore Mpty. from 18.2.52. It is stated that she is being continued in service under emergency provisions. She requests that she may be retained in service for 4 years to get herself qualified for the post i.e. to acquire the S.I's qualifications. The D.P.H. recommends the request of the petitioner. It is submitted that the petitioner was not in service on 15.12.50 and as such the concession mentioned in item V of explanation II to Regulation 10, will not apply to her. But the facts represented by the petitioner in para 5 of her letter on page 2 c.f. and the fact that the Govt. had relaxed in her favour regulation 4 of the P.H. Regulations (as it then stood before the issue of G.O.1575 Health dated 7.5.51) in so far as it relates to the age qualification prescribed for the post of Woman II class Vaccinator, have to be taken into consideration.

For orders whether the recommendation of the D.P.H. that the petitioner may be retained in service for four years in order to enable her to acquire the Sany. Inspector's qualification as required under item V of Expln. II to

to Regulation 10 of the P.H. Estt. Regulations, will be accepted.

The D.H.'s recommendation may be accepted in this case. No objn. Is the medy agreeable to retain her? Or is it M.H.O subject to approval by the Ex Authority?

SVK
1.8.52

The appointing authority is the M.H.O subject to the approval of the Executive Authority - vide regulation 7(1)(ii) read with regulation 2 of the P.H Regulations at (H). In this case, the M.H.O has not stated whether he is willing to retain her. It is for orders whether final orders as proposed above may be issued after ascertaining the views of the M.H.O of the Commr, Mangalore regdg. the matter. Subject to orders, a draft memo is subd.
